Graphic Designer | Brand Thinker | Visual Storyteller

Graphic Designer with a passion for creating thoughtful, strategy-driven work that connects brands with their audiences. Experienced in developing brand identities and visual systems rooted in culture, storytelling, and business objectives. A confident presenter and communicator, skilled at leading creative conversations, building client relationships, and translating complex challenges into compelling visual solutions. Inspired by architecture, travel, industrial design, fashion, and contemporary culture, with a curiosity for making unexpected connections that lead to fresh, impactful ideas.

Experience

Community Agency
Graphic Designer **May 2023 - Present**

- Designed brand identities, campaigns and design systems that helped clients launch, grow and strengthen their market presence.
- Led identity development from strategy brief through execution, creating visual systems that positioned clients for growth and contributed to new business wins for the agency.
- Presented creative strategies and concepts directly to clients, building trust through thoughtful communication, strategic thinking and collaborative problem-solving.
- Ensured brand consistency across all touchpoints by developing cohesive visual systems tailored to each client's goals and target audience.
- Managed multiple client accounts in a fast-paced agency environment, collaborating with account managers, marketers, and clients to deliver high-quality creative projects from concept to final execution while consistently meeting deadlines.

Design Intern **September 2021 - May 2023**

- Supported creative campaigns for leading hospitality and nightlife brands by producing social, print and motion assets seen by thousands of event attendees.
- Partnered directly with clients to translate business objectives into impactful visual content across social media, print, and digital platforms.
- Executed end-to-end creative projects from concept development to final delivery, including branding, promotional graphics, and video content.

Education

Ontario College of Art and Design University **September 2019 - May 2023**

- Honours Bachelor of Design, Industrial Design, Minor in Art History
